

# EC Declaration of Conformity

Manufacturer: **Spirotech BV**  
 Address: **Churchillaan 52**  
**5705 BK Helmond**  
**The Netherlands**

Technically represented by the Manager PD&I, declares that the vacuum degassers:  
 Spirotech **SpiroVent Superior**, models S400, S600, S600L, S10 and S16 (all types)

Are in compliance with all relevant demands of the following European Directives:

|                                                                                               |              |
|-----------------------------------------------------------------------------------------------|--------------|
| Machine Directive                                                                             | (2006/42/EC) |
| Low voltage Directive                                                                         | (2014/35/EC) |
| Electromagnetic compatibility Directive                                                       | (2014/30/EC) |
| Pressure equipment Directive                                                                  | (2014/68/EC) |
| ROHS Directive                                                                                | (2011/65/EC) |
| (Restriction of the use of certain hazardous substances in electric and electronic equipment) |              |
| Waste from electric and electronic equipment Directive                                        | (2012/19/EC) |

The following harmonised standards have been applied:

|                     |                                                                                                                                  |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------|
| EN 12100 (2010)     | Safety of machinery                                                                                                              |
| EN 60730-1 (2012)   | Automatic electrical controls for household and similar use                                                                      |
| EN 60204-1 (2006)   | Safety of machinery. Electrical equipment of machines                                                                            |
| EN 60335-1 (2012)   | Household and similar electrical appliances -Safety- Part 1: General requirements.                                               |
| EN 61000-6-2 (2019) | Electromagnetic compatibility (EMC) - Part 6-2: Generic standards – Immunity standard for industrial environments.               |
| EN 61000-6-3 (2007) | Electromagnetic compatibility (EMC) - Part 6-3: Generic standards – Emission standard for equipment in residential environments. |
| EN 61000-3-2 (2019) | Electromagnetic compatibility (EMC); limits for harmonic current emissions.                                                      |
| EN 61000-3-3 (2013) | Electromagnetic compatibility (EMC); limitation of voltage changes, voltage fluctuation and flicker.                             |
